

At Avoca Kayak Club we want our paddlers to look good and feel good when they paddle, so we have worked with Vaikobi to increase your performance and comfort by developing our very own AKC Teamwear range of apparel.

To compete or train with the Vaikobi difference complete the order form and email to avocakayakclub@gmail.com

All Vaikobi gear is offered at a special AKC discount price and includes AKC logo where noted. If you're interested in any of the other Vaikobi range of apparel or accessories (including Life Jackets) at our discounted rate, call Craig on 0439 246 972.

NEW - VAIKOBI PADDLE BOARD SHORTS - BLACK/CYAN

Sizes S to XXL

DOWNWINDERS WILL NEVER BE THE SAME AGAIN!

Vaikobi is once again leading the way forward in technical paddle gear with the latest addition to the Vaikobi Line Up, The Vaikobi Paddle Board Shorts

The Vaikobi Paddle Board Shorts combine surf style and paddle function with an innovative “two in one” design featuring the standard Vaikobi paddle short (with 1.5mm seat pad) under a fitted 17” super stretchy lightweight board short.

The Vaikobi Paddle Board shorts have been designed for paddling to ensure maximum movement and comfort without restricting your stroke.

Product Features:

- Outer: Fitted Super Stretch 17” Boardshort
- Inner: Vaikobi Performance Paddle Short with seamless padded seat
- Front Waist tie adjuster
- SEP Small Gel pocket with velcro closure
- Comfortable soft waistband

VDRY- LIGHTWEIGHT JACKET

Unisex

Sizes S to XXL

(Cyan, Orange or Light Grey)

Vaikobi's new VDRY Jacket- a super lightweight outer shell, designed to protect your body from the elements whilst controlling body temperature.

The VDRY Jacket has been designed and tested by the Vaikobi Race Team across a range of conditions during training and racing and will protect your whole upper body from wind and water.

Featuring a super lightweight 100% polyester breathable shell, you will barely notice you are wearing it apart from the sound of the spray deflecting off your Jacket and away from your body!

This jacket also features a strategically positioned air vent on the back panel and under the arms to assist with temperature control. The half front zip design also allows you to further manage your body temperature.

Additional Features:

- Lightweight 100% Polyester Water Resistant Shell
- Soft mesh lining to allow the Jacket to move as you paddle and not restrict your stroke.
- Fleecy lined high collar to provide protection of the neck when required
- 1/2 front zip to assist with body temperature control
- Mesh air vent on back and under the arms
- Adjustable waist cord
- 2 x fully enclosed pockets
- Velcro cuff adjusters to keep the water out
- Scooped back for extra protection from the elements

VDRY- LIGHTWEIGHT VEST

Unisex
 Sizes S to XXL

Vaikobi's new VDRY Vest- a super lightweight outer shell, designed to protect your body from the elements whilst controlling body temperature.

Designed to protect your core and leave your arms free to work, the VDRY Vest has been designed and tested by the Vaikobi Race Team across a range of conditions during training and racing.

Featuring a super lightweight 100% polyester breathable shell, you will barely notice you are wearing it apart from the sound of the spray deflecting off your vest and away from your body!

This vest also features a strategically positioned air vent on the back panel to assist with temperature control. The half front zip design also allows you to further manage your body temperature.

Additional Features:

- Lightweight 100% Polyester Water Resistant Shell
- Soft mesh lining to allow the vest to move as you paddle
- Fleecy lined high collar to provide protection of the neck when required
- 1/2 front zip to assist with body temperature control
- Mesh air vent on back
